6th June 2019

Dear Parents

We are very much looking forward to a visit from 'Spirit of the Wild - the zoo that comes to you!' in school next Friday, the 14th June. The visit has been made possible through the fundraising of the PTA at school.

The visit has been arranged to enhance the children's Science work on animals and their habitats by allowing them to meet a range of different animals close up and to ask questions from the experts.

The children will be able to meet and handle the animals that the zoo owners bring along. All animal handling will be done under their expert guidance and the children will all be supervised when handwashing after the experience. If your child has any allergies to animals (for example to fur) or if you have any other concerns, please do speak to your child's Class Teacher before the day of the visit.

The zoo's website is www.spiritofthewild.biz if you would like to have a look beforehand.

Yours sincerely

J E Hazzard

Science Subject Leader
