

Year 1 Newsletter

Just a few notes to keep you updated on what's happening in Year 1 over this second half term.

Topic – Leaving on a Jet Plane Spring 2

Geography, Science, Computing, Religious Education and Design and Technology

In Computing this half term we will be recognising common uses of technology beyond school.
In RE we will be learning about the Easter Story.
In Science we will be looking at different weather and how this can affect us.
In Geography we will be continuing with our popular topic of Leaving on a Jet Plane and a reminder that our WOW Days will be on Tuesday 5th March. A letter will follow.
In DT we will be focusing on pivots and sliders and use these in designing a card.

Physical Education

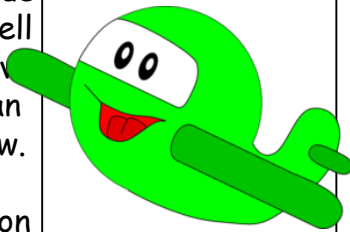

In PE we will be continuing with Yoga on a Monday afternoon. Mars will commence Rugby skills on a Wednesday afternoon and Venus will commence gymnastics on a Thursday afternoon.

PSHE

Our topic is 'Its Good to be Me' and the children will be thinking about what makes them special and celebrating their differences with each other.

Mathematics

We will begin this half term by looking at doubling. We will continue looking at number and halving as well as place value. The children will have lots of fun maths activities, with an Easter feel - more details to follow. We will also continue to develop calculation and be focussing more on subtraction. Can you talk about everyday subtraction (eg - There are 10 biscuits, if we all had 1, how many would be left?)

Literacy

In Literacy we will be looking at information texts related to our topic. The children will also be writing a recount of their trip to France!. We will also look at a traditional tale 'The Three Billy Goats Gruff' learning it with actions and then we will have a go writing our own similar version.

Please continue to read with and to your child as often as possible and whenever possible, write a comment in their reading record.
We thank you for your continued support.

Music and Role Play

Our role play area will be a Writing Shed. The role play has been repainted and offers the children to independently have a variety of writing opportunities to inspire our budding authors!
