Dear Parents

This year Bike to School Week takes place from 27th September to 1st October 2021. For the first time, Sustrans, a charity that want to make it easier for people to walk and cycle, want to try and track how many families take part.

Bike to School Week is a UK-wide event that Sustrans run every year in partnership with [Bikeability trust](http://bikeabilitytrust.org).

Together they celebrate cycling and scooting to school and [the massive benefits this brings to children's health and the environment](#).

Everyone can take part in Bike to School Week. All Sustrans ask is that you let them know if you and your family will be cycling or scooting to school from 27 September and 1 October by pledging your journeys [via this form](#).

Your school journey can be made with any type of cycle, for example, handcycle, tagalong, cargo bike or scooter.

By pledging your journeys, you'll be in with a chance of winning a child's Frog Bike worth up to £400. [Read the terms and conditions](#).

They will also send you a free guide to walking, cycling and scooting to school with lots of great tips and activities.

If you would like to leave your child's bike or scooter in bike racks on the front playground you are welcome to do so. Unfortunately, we are not able to take any responsibility for your property and if you leave them, then this is at your own risk. We advise you to use a chain and padlock if you decide to do so.

Kind regards

Mrs Thomas
