

## St Mary's Infant School-Year 2 School Closure Work

### Literacy

Please read with your child everyday - any texts are fine eg stories, magazines, comics and information books. Discuss what you have read together and ask questions about it.

Look at the Common Exception booklets and help your child learn to read and write any that they are unsure of.

Write a diary for a few days as we have done in school for Samuel Pepys.

Write a story about a character that they have met in another book or using any other ideas.

<https://www.literacyshed.com/home.html>

<https://www.phonicsplay.co.uk/freeIndex.htm>

Make a booklet linked to our History work on the Great Fire of London.

### Maths

Practise 2,5 and 10 times tables and any others that your child is learning.

Practise addition and subtraction by drawing tens and ones for 2 digit numbers.

Use money to work out different ways to make the same amount, adding and subtracting.

<https://www.topmarks.co.uk/maths-games>

### Science

Plant a seed or bean and watch it grow. Make a daily diary and measure its growth with a ruler and draw pictures.

Find out about which parts of plants we eat and make an information poster or book.

Find out about how plants spread their seeds.
