

ST MARY'S INFANT SCHOOL

CURRICULUM OVERVIEW – ART AND DESIGN

NATIONAL CURRICULUM

Pupils should be taught:

1. To use a range of materials creatively to design and make products.
2. To use drawing, painting and sculpture to develop and share their ideas, experiences and imagination.
3. To develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space.
4. About the work of a range of artists, craft makers and designers, describing the differences and similarities between different practices and disciplines, and making links to their own work.
