Communication to Staff

We have updated the website pathway to make it clearer and more accessible with who to speak to in the event of a concern or non-related concern. A flow chart has been created to support greater efficiency of the process.

Eat Them To Defeat Them

We are getting involved in the Eat them to Defeat them campaign. In order to get our children to eat more vegetables.

The children will be coming home today with packs, included is stickers for 15 days. Each time your child defeats a vegetable (eats a vegetable) please award them with a sticker in the pack to go on their chart. Once the chart is filled, bring their chart into school where they can come to the vegetable HQ (school office) to collect their certificate on successfully completing their mission to stop vegetables taking over the world! A link below so Parents can get involved too.

Community Singing

Well done everyone, including parents and carers for your efforts with last week's song 'This Little Light of Mine.' It was great to see lots of our Reception children belting out the song which is actually quite fast and wordy! We have also been hearing about lots of parents who have been singing this around their houses! So here goes...

Attendance

The class that has had the best punctuality and attendance this week is Venus. Well done!

Calendar Dates

Please follow the link below which will take you to our school calendar. This is regularly updated for you all to refer to.
