Things to Celebrate:

We have just purchased new interactive Whiteboards for each Year 1 and Year 2 class, along with 30 new Chromebooks for pupils. The boards are being fitted next week and the Chromebooks should arrive shortly. Thank you to the PTA who have contributed towards the cost of this IT project.

Thank you to all students and staff for taking part in our Children In Need dress down day. We managed to raise an impressive £250.32!! Well done everybody!

We had a visit from our Hertfordshire Improvement Partner last week and they were very impressed by the impact of our phonics intent and implementation of this across the school.

Details of the events scheduled to celebrate Christmas this year will be issued in line with the Junior School.

Pupil Premium

The Pupil Premium is an allocation of additional funding provided to schools to help lower income families do their very best. These include pupils who are entitled to free school meals, those looked after by the local authority and children of armed service personnel.
