Things to Celebrate:

Already this term, we have been able to make a huge difference to some of our families through our Pastoral support. Please do get in touch if we can help you.

Our new and exciting mastery music curriculum is in place and the Reception classes enjoyed a musical party on Wednesday.

The Year 2 Multi Sports Club has received a wonderful response and is now ready to start. Let's hope the British summer weather is kind to us!

As we continue along the Road Map out of Covid restrictions, we are able to plan more events in school and our PTA are also hard at work planning lots of future events (see dates below)

Our staff choir is up and running and we look forward to performing to you all soon!

Pupil Premium

The Pupil Premium is an allocation of additional funding provided to schools to help lower income families do their very best. These include pupils who are entitled to free school meals, those looked after by the local authority and children of armed service personnel.

If you think you qualify, please visit www.hertfordshire.gov.uk/freeschoolmeals or call on 0300 123 4048.
