Dear Parents and Carers,

I would like to further confirm the letter that was sent to you all on 18th June 2021 regarding classes and staffing for next year.

After discussions and meetings with the Juniors, a decision has been made to keep all pupils in Year 2 in their current classes. Considering the lockdown being extended, this will ensure that transition activities can continue this half term in line with our covid risk assessment and that pupils can meet their new teachers before the holidays.

It would not be possible to mix classes for 8th July without an isolation period in-between and now that all options have been considered, we feel that this is the best decision for our pupils at this time.

This will of course be reviewed by the Juniors after pupil admission as and when needs arise.

Kind regards,

Miss Edey
Headteacher
