

St Mary's Infants Fortnightly Flyer

Friday 10th September 2021

It is wonderful to see all the children in school and following a more 'normal' routine. Hearing the children sing in assemblies is bringing the community feel back to the school.

Thank you to everyone for working with us to ensure children are arriving at school on time. We are very pleased to see that opening the gates earlier has worked well for families.

Thank to those who completed the Parents Evening survey. The results are being reviewed and details of how these will be held will be issued in the near future.

Miss Farrant applied to receive the trees being commemoratively issued for the Queen's Platinum Jubilee and we are delighted to announce that we have been allocated 2 trees!

Pupil Premium Grant

The Pupil Premium Grant is additional funding from the Government to support pupils facing challenges to do their very best at school. These pupils might be from families with lower incomes, families facing unemployment or pupils who have been 'looked after'. This funding means that the school is given additional money for those eligible children to support their learning or development needs and to diminish differences with their peers. If you think you qualify, please visit www.hertfordshire.gov.uk/freeschoolmeals or call on 0300 123 4048.
