Dear Parents

As you know it is a priority of the school to develop the children's love of reading. To support this, we are asking you to make a voluntary donation of one, or more, magazines that are; age appropriate, your child would particularly enjoy and would like to share with others. These will be kept in school and shared between the different classes.

We believe this initiative will help to engage the children in reading, whilst also supporting the development of their speech and language skills and encourage pupil voice as it will allow them to share their interests with others.

If you have any questions, please do not hesitate to ask.

Thank you for your continued support.

Kind regards

Mrs Thomas
